

Dedicated Lecturers

Program: **Manufacturing Engineering Technology
(Process and Technology) (BMIP)**

 Head of Programme	Ts. Dr. Nazri Huzaimi bin Zakaria nazrihuzaimi@utem.edu.my B.Eng. Structure and Material (UTeM) M.Eng. Mechanical Engineering (UTM) Ph.D. in Mechanical Engineering (UTHM) Research interests: Material Engineering, Materials Science, Advanced Material Polymer, Natural Composite and Structure Analysis		Ts. Dr. Syahrul Azwan bin Sundi syahrul.azwan@utem.edu.my B.Eng. Mechanical Engineering (USM) M.Sc. Manufacturing Engineering (UTeM) Ph.D. Manufacturing Engineering (UTeM) Research interests: CAD/CAM, Cutting Tools Technology, CNC Technology, Aerospace Machining (Metallic & Composite Material) & Precision Machining
	Dr. Iskandar bin Waini iskandarwaini@utem.edu.my B.Sc. (Mathematics), UTM M.Sc. (Mathematics), UTM Ph.D. (Mathematics), UKM Research interests: Applied Mathematics, Boundary Layer Problem, Flow & Heat Transfer		Ts. Dr. Hanizam bin Hashim hanizam@utem.edu.my B.Eng. Manufacturing System with Mechanical Engineering (Bradford University, UK) M.Sc. Manufacturing Engineering (UTeM) Ph.D. Mechanical & Materials Engineering (UKM) Research interests: PVD Thin film coating, Surface Mount Technology, Product Assembly, Carbon Nanotub, Metal Matrix Composite
	Associate Professor Ir. Ts. Dr. Mohd Yuhazri Bin Yaakob yuhazri@utem.edu.my B.Eng. Mechanical Engineering (KUiTTTHO) M.Sc. Manufacturing Engineering (UTeM) Ph.D. Mechanical Engineering (NDUM) Research interests: Mechanical Engineering, Design,,Composite Technology, Green Materials and Processing, Ballistic and Impact Engineering		

	Dr. Nurazua binti Mohd. Yusop nurazua@utem.edu.my B.Eng. Production System Engineering (Toyohashi University of Technology, Japan) M.Sc. Mechanical Engineering (Utsunomiya University, Japan) Ph.D. Mechanical and Materials Engineering (UKM) Research interests: Product Design; Green Manufacturing
	Dr. Nur Farah Bazilah binti Wakhi Anuar nurfarah@utem.edu.my B.Eng. Mechanical Engineering- Automotive Engineering (UMP) M.Eng. Advance Manufacturing Technology (UTM) Ph.D. Manufacturing Engineering (UKM) Research interests: Semi-Solid Process, Metal Matrix Composites, Tribology
	Mahasan bin Mat Ali mahasan@utem.edu.my B.Eng. Manufacturing Engineering (Robotics & Automation) (UTeM) M.Eng. Manufacturing System (UPM) Research interests: Automation; Green Technology; Mobile Robot
	Ts. Mazran bin Ahmad mazran.ahmad@utem.edu.my B.Eng. Mechanical Engineering (USM) Research interests: Advanced Composite Manufacturing, Industrial Engineering, Lean Manufacturing
